Subject: An Invitation for Sponsorship

Thank you, in advance for your consideration as an Aviation Career Education (ACE) Camp Sponsor. The Organization of Black Airline Pilots, (OBAP), and the Federal Aviation Administration, (FAA), will host the annual San Antonio ACE Camp.

The ACE program endeavors to instill in youth an appreciation for the academic skills necessary to succeed and to discover that learning can be fun when done in the context of aviation. ACE Camp introduces kids to aviation history, aerodynamics, meteorology and navigation. Students receive orientation flights with qualified pilots, in addition to visits to facilities that support the aviation industry.

Founded in 1989, ACE was sponsored by OBAP and the FAA and has worked with more than 1,600 youth in its various programs. The ACE Camp offers orientation to various aviation disciplines for young people ages 14-18. Students in the camp explore the many career options available in the aerospace industry. Classes are conducted in traditional classrooms, simulator labs and various field trips.

The camps rely heavily on their local communities to provide financial and "in kind" support to run the program. Sponsorships for food, transportation, souvenir items, etc. are sought to enhance the learning experience for the week. Admission is free. ACE seeks a diverse enrollment in both race and gender to reach as many segments of the community as possible. We welcome any funding or material donations your company or organization can provide. The camp needs include vehicle rental (two 15-pax vans), T-shirts, snacks-water-juice, administrative supplies and lunches for 25 kids for the week. Contributions in any amount towards the aforementioned will be greatly appreciated. Also helpful are "in-store" certificates for food on one or more days, individual gift certificates, etc.

OBAP is incorporated by the IRS as a 501 (c) (3) non-profit corporation. (Date of exemption: April 1981; EIN: 13-3061012) A copy of this exemption is available upon request. Please direct your reply's to the above address.

We thank you, in advance, for your consideration.

Sincerely,

Calvin L. Allen  
ACE Camp Director  
Captain, Delta Airlines
